

PAUL J. LYNCH, MD

Founder, US Pain Care | Expert Witness | Patient Advocate

480.310.3878 ♦ Paul@uspain.com

CORE COMPETENCIES

Double Board Certified: Anesthesiology & Pain Medicine · Interventional Pain (Fellowship Trained) · Neuromodulation Expert · Patient Advocate · Proven CEO & Leader · Research Leader · Expert Witness

PROFESSIONAL EXPERIENCE

2023 – Present	**CEO & Practicing Pain Management Physician**, US Pain Care
2023 – Present	**Board Member, President**, NADDI, Arizona Chapter
2020	**Front Line ICU Physician**, Bellevue Hospital New York, NY (April 8 – April 25, 2020)
2019 – 2023	**CEO**, Pain Doctor, Inc. (Arizona Pain & Texas Pain)
2018 – Present	**Board Member**, US Global Leadership Coalition, Arizona Chapter
2014 – 2023	**Founder & Board of Directors**, Pain Doctor, Inc.
2014 – Present	**Clinical Assistant Professor of Anesthesiology**, UA College of Medicine–Phoenix
2013 – 2023	**Founder & CEO**, Holistic Pain
2010 – 2023	**Founder & CEO**, Boost Medical
2007 – 2023	**Founder**, Arizona Pain Specialists
2007 – Present	**Founder**, Arizona Pain Foundation
2007 – 2010	**Anesthesiologist**, Mayo Clinic Hospital Scottsdale, AZ
2007 – 2010	**Clinical Assistant Professor of Anesthesiology**, Mayo Clinic Medical School Minneapolis, MN
2007	**Co-Chief Fellow**, Texas Tech Pain Medicine
2005 – 2006	**Research Contributor**, New York University Medical Center New York, NY
2004 – 2005	**Research Director**, Beth Israel Medical Center – Advanced Medical Technology Institute New York, NY
2003 – 2004	**Research Associate & Coordinator**, Beth Israel Medical Center / AMTI New York, NY
1999 – 2003	**Research Consultant**, National Institute on Media and the Family Minneapolis, MN
1999	**Research Contributor**, University of Oklahoma Health Science Center Oklahoma City, OK
1992 – 1994	**Research Contributor**, Duke University Medical Center Durham, NC

EXPERT WITNESS

2007 – Present | Managed over 200 pain clinics across 14 states. Significant knowledge of the standard of care in multiple states with responsibility for writing medical policies including pain management procedures and opioid prescribing. Casework approximately 50% plaintiff / 50% defense; retained or consulted in over 150 pain management cases.

Services provided include:

- Case Review & Record Review
- Depositions & Testimony
- Independent Medical Examinations

EDUCATION

Post-Graduate Training

2006 – 2007	**Fellowship in Pain Management**, Texas Tech Health Sciences Center Lubbock, TX

2003 – 2006 **Anesthesiology Residency**, New York University Medical Center New York, NY

2002 – 2003 **Surgical Internship**, Beth Israel Medical Center New York, NY

Medical Doctorate

1998 – 2002 **University of Oklahoma College of Medicine**, Oklahoma City & Tulsa, OK

Bachelor of Science

1994 – 1998 **Oral Roberts University**, Tulsa, OK — Summa Cum Laude

Certifications

2007 – 2018 **Subspecialty Board Certification: Pain Medicine**, #40966

2007 – 2017 **Board Certification & Diplomate**, American Board of Anesthesiology #40966

2001 – Present **Advanced Cardiac Life Support**

PROFESSIONAL AFFILIATIONS

2011 – Present **American Medical Association**

2007 – Present **American Society of Anesthesiologists (ASA)**

2007 – Present **American Society of Interventional Pain Physicians (ASIPP)**

2010 – Present **Arizona Society of Interventional Pain Physicians (AZSIPP)**

2008 – Present **Maricopa County Medical Society**

2007 – Present **North American Neuromodulation Society (NANS)**

MEDICAL LICENSES

Arizona 36803	**California** C55833	**Colorado** DR.0053761	**Florida** ME135737	**Nevada** 14574	**Texas** R0447
Washington MD60807607	**Alaska** 211896	**New Mexico** MD2014-0551	**Louisiana** 345407	**Oregon** MD223759	**Kansas** 04-50436
Oklahoma 25024	**Georgia** 101281	**Tennessee** 72420	**Ohio** 35C.002087	**Illinois** 036.171692	**Utah** 14132906-1235
Idaho 1261878	**Missouri** 2026047040				

TEACHING EXPERIENCE

- Spinal Cord Stimulation
- Radiofrequency Ablation
- Percutaneous Discectomy
- Vertebroplasty / Vertebral Balloon Augmentation
- Percutaneous Disc Decompression
- SI Joint Fusion
- Practice Management
- Advanced Topics in Neuromodulation
- Future Leaders in Neuromodulation
- NANS Fellows Conference
- Opioid Use, Misuse and Abuse
- Federal DEA Agent Training in Quantico

HONORS & AWARDS

2026	**Mercy Care RISE Award for Advocacy**
2014	**M&A Advisors "Deal of the Year"**, Health & Life Sciences — Catterton Partners Investment in Pain Doctor, Inc.
2013	**Best of Arizona Businesses – Pain Management**, Ranking Arizona
2011	**Top Doctors Award**, Phoenix Magazine
2010	**Top Doctors Award**, Phoenix Magazine
1994 – 1998	**Honor Society – Summa Cum Laude**, Oral Roberts University

PAST RESEARCH PROJECTS

- Investigator: Randomized, Controlled Trial Evaluating a micro-implantable pulse generator for the treatment of peripheral neuropathic pain.

- Investigator: Prospective, Multi-center, Randomized Controlled Double-Blind Trial Evaluating the VertiFlex® Totalis™ Direct Decompression System versus Sham Surgical Procedure in Patients with Lumbar Spinal Stenosis.
- Investigator: Prospective, Multicenter, Randomized, Double-blind, Placebo-controlled Study Evaluating rexlemestrocel-L Alone or Combined with Hyaluronic Acid (HA) in Subjects with Chronic Low Back Pain.
- Investigator: Outcomes of Single Injections of FloGraft Therapy, Autologous Stem Cells, or Platelet Rich Plasma for Treatment of Pain in Lumbar Facet Joints, Sacroiliac Joints, Upper & Lower Extremity Joints.
- Investigator: Reliability and Validity of the Global Pain Scale Using a Clinical Population from a Large Interventional Pain Practice.
- Investigator: Predictors of Successful Outcomes of Occipital Nerve Stimulation for Chronic Headaches.
- Investigator: Primary-Care Physicians Referral Patterns of Patients to Pain Specialists.
- Investigator: Prospective, Multicenter, Double Blind, Controlled Study Evaluating Safety and Preliminary Efficacy of Adult Allogenic Mesenchymal Precursor Cells Combined with Hyaluron in Subjects with Chronic Discogenic Lumbar Back Pain (2011–2015).
- Investigator: SENSE™ (Subcutaneous and Epidural Neuromodulation System Evaluation) Study for the Treatment of Chronic Low Back and Leg Pain (2013–2015).
- Investigator: Prospective, Multi-Center, Randomized, Double-Blinded, Partial Crossover Study: Bioness® Stimrouter™ Neuromodulation System for Patients with Chronic Pain of Peripheral Nerve Origin (2012–2015).
- Investigator: Randomized Double Blind Placebo Controlled Study: Pregabalin (BID) in Subjects with Post-Traumatic Peripheral Neuropathic Pain (2013–2014).
- Investigator: Multicenter, Randomized, Double Blind, Controlled, Comparative Study of SI6603 in Patients with Lumbar Disc Herniation, Phase III (2013–2014).
- Investigator: Randomized, Double Blind, Parallel-Group Study of Cardiovascular Safety in OA/RA Patients: Celecoxib vs. Naproxen and Ibuprofen (2012–2014).
- Investigator: Randomized, Multi-Center, Double-Blind, Placebo-Controlled Phase III Trial: MRX-7EAT Etodolac-Lidocaine Topical Patch for Pain due to Supraspinatus/Subdeltoid Bursitis of the Shoulder (2011–2012).
- Investigator: Qualitative Interviews with Patients Diagnosed with Radicular Pain (2012–2013).
- Investigator: Multi-Site Study: Partnership for Advancements in Neuromodulation (PAIN): A Prospective Clinical Outcomes Registry (2010–2013).
- Investigator: Multi-Site Prospective Study: Spinal Cord Stimulation Efficacy of the SJM Eon-Mini (2006–2007).
- Investigator: Phase III Drug Trial for CRPS Pain (2006–2007).
- Investigator: Phase II Drug Trial for Lumbar Radiculopathy Pain (2006–2007).
- Investigator: Phase I Intrathecal Drug Trial for Refractive Cancer Pain (2006–2007).
